COMMANDER IN CHIEF
UNITED STATES PACIFIC FLEET

The Secretary of the Navy takes pleasure in presenting the
Navy Commendation Medal to

GERHARD KLANN
AVIATION ORDNANCEMAN AIRMAN
UNITED STATES NAVY

for service as set forth in the following:

CITATION

"For meritorious service while serving with friendly foreign forces engaged in armed conflict against Communist insurgent forces from 10 December 1967 to 3 June 1968. Airman KLANN acted as point man and automatic weapons man for BRAVO Platoon, SEAL Team ONE, Detachment GOLF operating in the Rung Sat Special Zone. He participated in over 25 combat missions and was taken under fire on numerous occasions. While engaged in combat with the Viet Cong, his actions were instrumental in the capture, killing or wounding of numerous insurgents and the capture and destruction of numerous weapons and material. On 11 January 1968, he participated in the destruction of a Viet Cong rocket firing position and crew, which had inflicted heavy personnel and material casualties to PBRs patrolling the Bassac River. On 17 January 1968, he participated in a stream ambush resulting in four Viet Cong killed, during which his accurate automatic weapons fire was instrumental in the success of the ambush. His courage under fire, initiative and outstanding professional ability were in keeping with the highest traditions of the United States Naval Service."

Airman KLANN is authorized to wear the Combat "V".

The President of the United States takes pleasure in presenting the Bronze Star Medal to

GERHARD KLANN
AVIATION ORDNANCEMAN AIRMAN
UNITED STATES NAVY

for service as set forth in the following

CITATION

"For heroic achievement in connection with operations against the enemy aggressors while serving with United States Navy SEAL Team Delta Platoon in the Republic of Vietnam on 22 February 1969. Airman KLANN was patrol leader on a seven man United States Navy SEAL Team patrol in the Viet Cong infested Than Phu Secret Zone when he observed four men moving in a tree line two hundred yards from his position. Electing to expose only himself rather than the entire patrol, he moved to a position where he could effectively adjust mortars from the Inshore Patrol Craft that was on station in the river. He further exposed himself by having the Inshore Patrol Craft fire illumination rounds in order to confirm the position of his target. Airman KLANN accurately called in round after round, adjusting as the enemy moved, killing four enemy with no casualties to his patrol. His aggressive action and courage indicated disregard for his own personal safety, reflected great credit upon himself and were in keeping with the highest traditions of the United States Naval Service."

Airman KLANN is authorized to wear the Combat "V".

GERHARD KLANN
AVIATION ORDNANCEMAN, AIRMAN
UNITED STATES NAVY

for service as set forth in the following

CITATION

"For heroic achievement while serving with friendly foreign forces engaged in armed conflict against the Viet Cong communist aggressors in the Republic of Vietnam. Airman KLANN was a member of the United States Navy SEAL Patrol Unit that had to negotiate the hazardous cliffs of Hon Tam Island in the Bay of Nha Trang while searching for Viet Cong political cadre and sapper personnel suspected to be hiding in the area. The Officer in Charge divided the unit into two elements in hopes of encircling the enemy. Airman KLANN was a member of the element that made the treacherous descent toward the sapper squad's camp. As the element approached this enemy camp, heavy firing was heard from the vicinity of the other camp. As the sappers began to disperse, Airman KLANN's element initiated fire. An enemy grenade exploded in their midst, seriously wounding the unit leader and radioman. Airman KLANN, without regard for his own safety, immediately exposed himself to enemy fire in order to maneuver to a position from which he could most effectively fire into the enemy position. By this courageous act, he was instrumental in keeping the sappers from overrunning his element's position and in quickly suppressing the hostile fire. Airman KLANN's heroic actions, quick thinking, effective fire and total disregard for his own safety were in keeping with the highest traditions of the United States Naval Service."

Airman KLANN is authorized to wear the Combat "V".
